

Please join us at SMCC's

## Maine Advanced Technology Center

for a tour and demonstration

June 2, 2010

5:00 p.m. to 7:00 p.m.

at  
6 Industry Road  
Brunswick

- Explore composites with hands-on exhibits in the classrooms
- Discuss plans for the Midcoast Campus on the former BNAS with our President Jim Ortiz and Vice President Janet Sortor
- Talk with SMCC/MATC instructors about our programs
- Learn about offerings for high school students and educators in Maine
- View Composite Vacuum Infusion Process demonstrations (at 5:45 and 6:15)
- View Haas multi axis machine demonstrations (ongoing)
- Enjoy light refreshments
